

Dear WSPA members,

The Professional Educator Standards Board (PESB) has approximately 20 Educator Retooling scholarships left for this fiscal year to help certified teachers add math and science endorsements. If you have teachers that would be interested in these scholarships, I have included the information below:

For information about the Educator Retooling Program please go to the PESB website [www.pesb.wa.gov](http://www.pesb.wa.gov)

Once there, on the right hand side of the page under "Quick Links" click on Educator Retooling. Scroll down until you see "request an application". Open this link and submit your request. PESB will mail the application to you. The deadline to receive applications at PESB is June 4, 2010.

Best regards,

Mea Moore

Program Director, Educator Pathways
